

CHRISTMASTIME AT THE STAR INN 2018

Christmas is a magical time to enjoy good company in comfortable surroundings, whilst eating, drinking and merry-making with all the best a traditional Yorkshire Yuletide has to offer. The ambience at The Star and Cross House Lodge is always very special and, at Christmastime, the hospitable Harome elves work especially hard to make everything as perfect as possible: evocative smells and tastes, warming fires, decorations and foliage all coming together to create a grown-up grotto for festive foodies.

Cross House Lodge, The Star's 9-bedroomed boutique hotel, is ideal for a two night 'get-away-from-it-all' festive break from Christmas Eve afternoon to Boxing Day morning. Christmas Eve supper and Christmas Day lunch will be taken at The Star, with Christmas Day evening buffet (and breakfast on both mornings) in Cross House Lodge. There are some great walks both from Harome itself or venturing further into the Moors, and a whole host of other activities in the vicinity to build up your appetite.

The menu for the 'Big Day' will be a five-course feast with fizz on arrival and coffee to finish:
