

THE STAR INN

-HAROME CIRCULAR WALK No 1: 'HAROME HEADS FARM AND RIVER RICCAL'

Length approx 2¾ miles, generally easy terrain, but may be wet!!
Start and Finish: The Star Inn Pub

1. Leaving the Star head for the large sycamore tree following the sign opposite it, in the direction of Pockley, passing Sycamore Terrace then Harome Cricket Club's ground on your right following the single track lane on its way out of the village. Follow the lane as it cuts through a gently undulating lowland eventually reaching a seat below an oak tree.
2. Pass a track turning off to the left and keep to the lane, which in due course bends to the left with a sign for Harome, Hovingham, Pockley and Helmsley. At the sign, turn right by Harome Heads Farm and follow the lane as it passes under overhanging trees.

3. After a hedge and some wooden panel fencing around Shaw Moor Farm, turn immediately right to follow a path. Climb over a stile, then head across a field passing below power cables. Keep the hedgerow on your left and head in the direction of the field corner where there is another stile. Once over the second stile, turn right and follow the boundary of the next field.

Bear left in the corner and continue for almost 100 yards until a gap appears in the undergrowth. Follow this path between bushes to climb a stile on the edge of a field. Keep ahead to the corner and cross to climb the next stile and pass over a footbridge. Continuing to head in the same direction in the next field, cross several more stiles eventually reaching a tarmac road on the eastern fringes of Harome.

4. Continue ahead to reach the junction with the main village street, turn right, then immediately left onto Back Lane. Follow the road as it bends to the right to reach Harome Methodist Chapel.
5. Cross the stile opposite the Chapel and head out across the long field to another stile on the far boundary. Continue ahead in the next field in the direction of a line of trees at the bottom boundary. Look for a stile and then cross the footbridge over the River Riccal.
6. Turn right and head towards a stile in the field corner. Once over the stile, follow the riverside path to reach another stile leading out to the road with Aby Green Farm to the left.
7. At the road, turn right, then keep left at the fork. You will soon begin to hear the sound of rushing water from the river on the approach to Harome Mill. Pass the duckpond opposite The Pheasant Hotel and around the corner is the church. Turn left and you will return to The Star Inn after a couple of minutes.

The Star Inn Opening Hours
