Autumn...

As the days begin to shorten during the season of mists and mellow fruitfulness, Nature's Larder brings a plentiful harvest to compensate and warming flavours come to the fore, along with toasty fires to take away the early evening chill.

It's always the perfect time to squeeze in an indulgent us-time break feasting on our seasonal Dinner Tasting Menu, which can be viewed on our website.

The 'Tastes of the Seasons' Break package comprises:

1 nights' accommodation and Yorkshire breakfast and dinner from our seasonal Tasting Menu plus a seasonal hedgerow Liqueur, in your room on arrival.

Tasting Menu matched wine package also available at an additional £95 per person.

Excludes the Christmas/New Year period. Our Break offers cannot be used in conjunction with any other offer available from time to time, or be applied retrospectively to a previous booking.
