Room Booking Conditions:

These Conditions may be updated at any time for unconfirmed/new bookings at our discretion.

As an Inn with a dining reputation, we normally take room bookings only in conjunction with a table reservation. Exceptions may be made midweek or by special arrangement, but we regret that **we do not vary from this rule for Saturdays, High Days or Holidays**. A credit card number is required to secure your reservation and a non-refundable deposit of £100 for single room bookings (the full B&B rate for all 13 rooms for group bookings) is required before your booking can be confirmed. Please note that we may request full payment as a deposit or for the balance payment to be made on arrival with respect to overseas bookings. English Law applies to all bookings and contractual obligations of all types.

You may wish to take out travel insurance to cover any risk that you may need to cancel your booking.

Where a room booking is cancelled within 72 hours of your intended arrival date, your deposit will be forfeited and an additional charge will be made on your card for the balance of the room B&B rate plus any second and subsequent nights booked, unless the room can be re-let at the full brochure tariff. Where room bookings are made on behalf of others, the person paying the deposit is deemed to have full responsibility for all the rooms they have confirmed. The condition shall also apply to group bookings where the entire group booking is cancelled less than one month before the intended arrival date.

All cancellations must be made in writing and acknowledged by The Star Inn.

In certain circumstances and with suitable notice, it may be possible to change a booking to an alternative date and in this case an administration charge of £25 per room will be payable. In the event property is left behind at Cross House Lodge, this can be returned by post subject to an additional charge dependent on the weight of the item(s) and a minimum administration charge of £15.

We regret that we do not accept payment by cheque, with the exception of payments a minimum of 14 days in advance of your visit.
